"Sherdil" is a movie produced under the banner of Super Cassettes Industries Limited (SCIL). It is scheduled for release on 2018 as an official remake of the successful Telugu movie "Arjun Reddy". Arjun Reddy (Akhilesh Chaturvedi) is a young man who comes to the city in search of opportunities. He falls for Shalini (Himanshi Khanna) at first sight and pursues her relentlessly. She initially refuses his advances but later gives him a chance. However she soon realizes that he is going to be a challenge to her life since he is a player and a drunkard who doesn't know how to control his emotions for a woman. How Shalini handles this emotionally disturbed boy forms the rest of the story.

In the late 1980's, the story was turned into a movie in Tamil as "Edhir Parayil". It was a very successful film and was remade in Telgu in 1990 as "Arjun Reddy" starring Rajinikanth and Urmila Matondkar. The trailer of "Sherdil" which was released on January 19, 2018, received positive response from critics. The film received negative reviews from critics for its unnecessarily large budget.

The songs were composed by Anushka Manchanda and written by Zain Masood. The lyrics were penned by Akhilesh Chaturvedi. Sherdil Hindi Full Movie Watch Online
